Food Grade Spraycans

Foodgrade dough devider & mould release fluid

This product is produced from ester based oil and special additives to warrant a trouble free and extremely clean operation when used as a dough divider oil. Consumption of Foodmax DDO Spray is about half to two times less than the conventional release agents found such as kitchen sunflower oil. Foodmax DDO Spray offers direct contact lubrication in dough dividing applications in case the use of mineral lubricants are not allowed because of local of domestic regulations.

Foodmax DDO Spray is suitable for use as dough divider oil and also 3-H approved. Ensures excellent release of dough in bowls, chuters, choppers and dividers in bakery processes.
